Pastor's Corner:
Hello Church family from Pastor Michael & Billie!

Spring is in the air! We are now into what could be the most beautiful of the seasons created by our Lord! As we look to the word of God in the book of Genesis, we find what could be the most powerful words recorded in His word. So many of the verses in Genesis begin with, "And God said,"... To create the seasons God said in **Genesis 1:4...** "Let there be lights in the expanse of the heavens to separate the day from the night. And let them be for signs and for seasons, and for days and years, and let them be lights in the expanse of the heavens to give light upon the earth."...

I'm believing the very first season could have only been Spring! This was for God to show just how great His work was... **Psalm 19:1... the heavens declare the glory of God, and the sky above proclaims His handiwork...** let me continue with... **Song of Solomon 2:11-12... for behold the winter is past, the rain is over and gone. The flowers appear on the earth, the time of singing has come....** Praise God!! A quote I love from an unknown author says this, "Spring is Gods way of saying, One more timel!"... Spring shows us what God can and will do with a drab and dirty world. Exactly like He has done for us.. Amen?? God has indeed performed His handiwork in the lives of every believer. He wants new life for His children. He has removed the old dark things from our lives. He sees our past no more! *Thank you Lord!* In fact there is absolutely "nothing" in your past that you can bring with you into your future! Don't be surprised, it's true! Read for yourself from **Isaiah 43:18-19...** *remember not the former things, nor consider the things of old. Behold I'm doing a new thing, now it "springs" forth, do you not perceive it??...* So let us as a church leave behind the Winter or the things of old or for that matter the things we didn't like "yesterday"! May we together seek the Lord as a Church body? Scripture is so clear... several places the word "know" is used. If this word is used in the Hebrew context it actually means "to be in a relationship with..." Wow! =>
