Pastor's Corner:
Hello Church family from Pastor Michael & Billie!

Fall is in the air! The days will become shorter and the air will become cooler... my kind of weather! May sound funny but when it gets even colder outside, we tend to sit a little closer! I love it! Also with the cool air comes the excitement of Christmas!

Believe it or not Christmas is just around the corner! But let us not forget Thanksgiving first. Oh how I love to eat! Thanksgiving is my favorite meal of the year, not only for the food but for the remembrance of the things that led up to it. I always ask my family or whom may be sharing a meal with us to share one thing they are thankful for. What a blessing. Every day can be like Thanksgiving, especially when we take time to pray and give thanks to our Savior for His goodness and grace. **Psalm 31:19... oh how abundant is your goodness... or... Ephesians 2:8...for by grace you have been saved... I am so thankful for the Lord's love of His children.**

The Lord has revealed to me that the greatest blessing in this time of my life is my family! Thank you Lord. To see my family celebrate the goodness and grace of God in everything we do! **Deuteronomy 6:6-7... and these words that I command you today shall be on your heart. You shall teach them diligently to your children, and shall talk of them when you sit in your house, and when you walk by the way and when you lie down and when you rise...**

My prayer is that the same love and fellowship carries over into the Church house as the weather cools. I personally see the Church as my second home in this place. I find peace when I sit on the pews and meditate on His goodness. Let us never forget that Church family. Let us always give thanks to our God. **Hebrews 10:25... let us not neglect to meet together, as is the habit of some...**

His love can never be matched. Cool or warm, He will always sit as close to you as you allow Him. When I consider the love He has for His children and the family of God an overwhelming sense comes over me... =>
