## Pastor's Corner:

Hello Church family from Pastor Michael & Billie!

The summer is here, the flowers are in bloom and God is at work! In the next 2 months transformation will occur at our blessed church. Landscaping will change, new paint on the walls, new flooring and so on. But one of the biggest changes will be the sounds in the church house!

The sounds of children will reverberate through out our building. That's right, the school is moving in! Thanks be to God! We have somewhere in the neighborhood of 250 children on the way with another 40 staff members that will be in our church everyday!

You see I've always said as the Bible teaches that in the life of a Christian things must change. **Isaiah 43:19... the Lord says, "behold, I am doing a new thing, now it springs forth, do you not perceive it?"** But God! We are welcoming new life into Liberty Hill. Billie and I are so excited. This verse emphasizes God's ability to bring about "transformation" and renewal in our lives, as believers we are encouraged to embrace change and trust His plans.

Let us as a church wrap our arms around what God is doing. Together let's say "welcome to the house of God!"

Change is good, it happens every season, look outside... let us trust in God's plan. We love you church family and hope to see you Sunday....
