Pastor's Corner:

Hello Church family from Pastor Michael & Billie!

Scripture says in **Psalm 118:24...** *this is the day the Lord has made let us rejoice and be glad in it...* Let me begin with a question. Can you, as a “Child of God” repeat that verse and literally honestly apply it to your life? Do you in fact rejoice in your relationship with the Savior?

Rejoice means to feel or show great joy of delight. It happens when an individual expresses happiness or celebrates positive events.

Are you happy that you could wake up every morning and celebrate your Savior again! Praise God!

So many things have meaning that we overlook or take for granted. Can you believe we are in the month of August? Have you ever considered what the word “August” means? As a month it is the eight month of the Gregorian calendar, named after Augustus Caesar, the first Roman emperor. From the Latin word it means “majestic”..... wow!

Consider the term I began with... child of God. Now this is so taken for granted. For us to be recognized as such, our Savior gave His very life. How can that ever be forgotten?? To be a child of God means we now have eternal life because of His shed blood!

I have said these things to say, yes we should rejoice and be glad in this day the Lord has made, amen? This day was made for you church family, just for you....We have truly been blessed over the past months. We thank God for “*Creekside at Liberty Hill.*” All that has been achieved is by following His plans. We will work together to care for our children & see that they grow in knowledge and spiritually. This Christian Academy teaches the Word of God daily. ***Blessed indeed!***

We love you church family hope to see you Sunday.....
